Will Prager left on last evening's train for a business trip to Carlsbad.

Lived Only Five Days After Reaching Here.

Fred W. Hinsey of Eudora, Kansas, who came here last Wednesday in the last stage of consumption, died last night at 10 o'clock. The body was sent this morning to the old home for burial.

He was accompanied here by his mother, Mrs. John Hinsey, and the family physician, Dr. W. H. Robinson, and they accompanied the remains home.

Deceased was about 35 five years of age and bystanders at the depot Wednesday indignantly exclaimed that it was a shame to take a man from his home when he had only a few days to live and when he was too far gone for the climate to benefit him. This is another example of the barbarous practice of bringing consumptives here when they have only a few days to live.

It would certainly be more merciful and humane to let the unfortunates spend the last hours of their life with the comforts of their home and the companionship of their relatives and friends instead of hastening the end with a tiresome railroad journey.

Eastern papers please copy.

Resigned the Pastorate.

Rev. B. F. Wilson who has been pastor of the Christian church here for two years and seven months, has resigned the pastorate and left this morning for Ft. Worth with his wife and adopted daughter, where they will spend the winter. Mr. Wilson leaves Roswell on the account of his wife's health and will return here in the spring. He came here from Dallas and made many warm friends here who regret to see him leave the city. His Ft. Worth address will be 915 Hemphill street.

THE CHRISTMAS RACES

Joe Dunlap Will Arrive Here Tomorrow, After a Tour of the Racing Cities in Tennessee, Georgia and Oklahoma. Birch twig Will not Return to the Pecos Valley.

Joe Dunlap, the pacer, who left here September 30th with Birch twig and driver, E. P. Harris, driver, and trainer, Albert Simpson, will return here next Wednesday. Joe Dunlap has been at Memphis, Tenn., Birmingham, Ala., Atlanta and Macon, Ga., Guthrie and Oklahoma City, Ok., and is at Oklahoma City at the present time with Birch twig and driver, E. P. Harris.

Joe Dunlap's best time was 2:26½, which was made at the fair grounds in this city during

the last fair. There are several prominent race horse men who are ready to put money on Joe Dunlap on the side and H. L. Gill makes the following challenge:

"Joe Dunlap is open for a pace or trot from \$100 to \$1,000 a side at the fair grounds in this city against any horse owned and claimed in southeast New Mexico and is at this time in New Mexico including Chaves, Eddy, Roosevelt and Lincoln counties. The race to come off Christmas day or any day the Fair Association will set."

Respectfully,

H. L. GILL.

Mr. Gill is the owner of Birch twig and he declares the horse will never return to the Pecos valley unless he can enter a free-for-all and he also makes the challenge that he will pace Birch twig against any horse owned, claimed and now in New Mexico for \$100 to \$1,000 a side, in a half mile, one mile or two mile trot or pace at the fair grounds here, Freeland Gnot barred.

Birch twig's best time is 2:08½, made in Colorado and he made 2:09 at the fair grounds here.

It has been erroneously stated in THE RECORD that J. B. Gill is the owner of Birch twig, but he

is not. He is the seed man. H. L. Gill is the race horse man and the gentlemen are not relatives.

The legal Tender is headquarters for Joe Dunlap and Birch twig's and bets can be left with Robert Maddux.

The Fair Association has arranged for two day's racing Christmas week, in which there will be trotting, pacing and running races. A big time is anticipated and the Fair Association requests the earnest co-operation of all who are interested, to make the event a success. In the future Roswell will be winter headquarters for some of the finest race horses in the west, and all should work together to show the interest there is in racing in the city.

After the Santa Pe Central railroad has been completed a large number of race horses from California will be shipped here for winter quarters and every bunch of race horses brought here for the winter means money spent in Roswell.

ALBERT WALLACE LEAVES.

Lead and Ginseng Have Been Discovered on His Tennessee Farm.

Albert E. Wallace, wife and two children Hazel and Barrett, left yesterday afternoon for Chattanooga, Tennessee. Mr. Wallace has been with his father and his brother in the grocery business, the firm being I. A. Wallace & Son, "The Modern Grocers." Mr. Wallace came here two and a half years ago and stayed for six months. He returned to his old home in Tennessee and remained for six months and returned here eighteen months ago. Mr. Wallace owns a farm near Chattanooga, and lead has recently been discovered on the farm, also large quantities of ginseng, the valuable root which is burned on the "Holy Altars" in China, and he returns to investigate the new discoveries. He may return here later on. Mr. Wallace sold his residence property on Kentucky avenue to Mr. McAnally, the principal of the high school here.
